Terms of Service

1. Acceptance of the Terms

By accessing or using velithon.com or any prototype feature, you acknowledge that you have read, understood and agree to be bound by these Terms, our Privacy Policy and any additional guidelines we may post. If you do not agree, you must not access the Services.

2. Eligibility

You must be at least eighteen (18) years old and have the legal capacity to create a binding contract. You warrant that any registration information you provide is accurate and complete.

3. Licence Grant and Restrictions

Velithon grants you a limited, revocable, non-exclusive, non-transferable licence to use the Services for personal or internal business purposes in accordance with these Terms. You may not:

- copy, reproduce, repackage, resell or redistribute data or interface elements;
- circumvent technical or rate-limit safeguards;
- reverse-engineer or derive source code except as expressly permitted by law;
- use the Services for unlawful activity, including market manipulation, malicious code, or harassment;
- falsely imply affiliation with Velithon.

Misuse can result in immediate suspension or termination.

4. User Content

If you submit feedback, bug reports or other content, you grant Velithon a perpetual, worldwide, royalty-free licence to use, adapt and incorporate that content to improve the Services without any obligation to compensate you. You represent that you have legal rights to any content you submit and will not violate third-party rights.

5. Availability and Modifications

The Services are experimental and may change, temporarily suspend or terminate at any time, with or without notice. We strive for reasonable continuity but do not guarantee uninterrupted availability. Features labelled “beta”, “preview” or similar are offered as-is and may contain errors.

6. No Financial or Investment Advice

The information shown by Velithon is for informational purposes only and does not constitute investment, trading or legal advice. You acknowledge that digital-asset markets are volatile and you assume full responsibility for any decision you make based on information obtained through the Services.

7. Warranty Disclaimer

The Services are provided “as is” and “as available” without any warranty, express or implied, including warranties of merchantability, fitness for a particular purpose, title or non-infringement. We do not warrant that the Services will be error-free, secure or that data will be accurate or timely.

8. Limitation of Liability

To the fullest extent permitted by applicable law, Velithon shall not be liable for any indirect, incidental, special, consequential or punitive damages, nor for loss of profits, revenue, data or goodwill arising out of or related to your use of the Services, even if advised of the possibility of such damages. Our total cumulative liability under these Terms shall not exceed the greater of (i) the amount you have paid us in the twelve months preceding the event giving rise to the claim or (ii) one hundred US dollars (\$100). Some jurisdictions do not allow certain limitations, so the foregoing may not apply to you.

9. Indemnification

You agree to defend, indemnify and hold harmless Velithon, its officers, employees and contributors from any claim, demand, liability, damages and costs arising from your breach of these Terms or misuse of the Services.

10. Termination

You may discontinue use at any time. We may suspend or terminate access with or without notice for any reason, including breach of the Terms or legal requirement. Upon termination, your licence ends immediately, and sections that by their nature should survive (e.g., disclaimers, limitation of liability, indemnity) shall remain in effect.

11. Governing Law and Dispute Resolution

These Terms are governed by and construed in accordance with generally accepted principles of contract law and, where applicable, consumer-protection statutes. Any dispute that cannot be resolved informally shall be submitted to confidential arbitration conducted in English, under rules mutually agreed upon at the time. Nothing prevents either party from seeking injunctive or equitable relief to protect its interests.

12. Changes to the Terms

We may update these Terms to reflect new features, changes in our business or changes in law. The revised Terms become effective upon posting. Your continued use after changes constitutes acceptance.

13. Contact
